This unique 1-Day Workshop enables the coaching team to build you an improvement plan for the rest of your golfing life.

We are now proud to offer Right Sided Golf Instruction in Sydney.

1 DAY WORKSHOP WITH LEADING GEG INSTRUCTOR PETER KRAWITZ

Peter is Education Training Co-ordinator for The Gary Edwin Golf Instructor training course and accreditation system. He has a degree in Golf Management and coaches many top amateurs and club golfers looking to improve.

Peter has worked with Gary on his game since 1996 and joined his coaching team at the Glades in 2005. During this time he has actively worked with and collected knowledge from Gary about the Right Sided Swing. He began the Right Sided Swing Accreditation System in 2009 after collecting hours of video and swing pattern information. Peter also won the Right Sided Tournament in 2017.

Peter will be assisted in the 1-Day School by Taylor Cooper.

Taylor has been involved with the Right Sided Swing since 2006. Taylor has been a successful amateur and has played the Australasian tour, China tour and One Asia tour. He has based his playing and coaching from Manly Golf Club since 2012 with some great results.

TOUR PROVEN RESULTS

Our 1-Day Intensive Workshop is a great way to learn the simple principles that Gary's Tour Players use to get power and consistency.

Gary has been teaching golf and passing it onto others for over 55 years. He has made learning the game simple and enjoyable for all levels of golfers. He has helped many coaches understand posture and movement to further help their students. Peter has been fortunate enough to have this input first hand in a coaching sense for the past 14 years.
