**2-DAY GOLF SCHOOL  
COURSE OUTLINE**

## 2-DAY SCHOOL

Our 2-Day Golf Schools enable Gary and the team to build you an improvement plan for the rest of your golfing life.

Two Full Days working on your game with Gary and the Team on the range and on the course at Australia's most exclusive golf location.

## 2-DAY GOLF SCHOOL WITH GARY EDWIN

We are now proud to offer students the opportunity to play and work on their games with Gary at The Grand Golf Club. This is Queensland's most prestigious private course and was home to the Australian Open in 2001. The Grand is Gary's home club and a very special place to play golf.

In our 2-Day Golf School you will learn to practice and play all the shots the way the Gary's Tour Players do.

Gary and the Team will analyse your game and then give you the skills you need to become more consistent on the course.

The 2-Day Golf School is geared around making you understand your swing and what you need to do to maintain it.

## TOUR PROVEN RESULTS

With a 1 to 2 Instructor-student ratio and the finest practice and training facilities the 2-Day School is a great way to learn the simple principles that Gary's Tour Players use to get power and consistency.

It is not all work though. We encourage students to take their time on the course, with 18 holes planned each day, implementing the principles they have learnt.
